Tryouts For "Annie" Scheduled

The Versailles Towne & Country Players will be presenting the well-loved musical, "Annie". This production will be shown this summer during the Poultry Days festival in early June.

This production consists of a very large cast of 57 characters. There are 6 young girls who portray the orphans. Their ages are from 6 to 13 years old. These girls need to be very outgoing and full of energy.

Along with the orphans, 18 adult women are included in the cast. Also 32 adult male parts are

needed in "Annie". To top this powerful production, 2 chorus numbers color the stage with singing and dancing.

To complete the line-up of "stars", the search is on for a perfect little girl to be Annie. She must be a very special girl with many qualifications. She must possess the characteristics of friendliness, cheerfulness, intelligence, and must be full of enthusiasm. She sings many solos throughout the show also. Dancing plays a large part of her role too.

Auditions for the parts of Annie and the orphans will be held on Thursday, April 3rd from 6:30 to 9:30 p.m. in the Versailles High School Chorus Room. Auditions for the adults will be held on April 7th from 6:30 to 9:30 p.m., also in the chorus room.

After the initial auditions, finalists will be selected and asked to return for "call-backs" on April 10th at 7:30 p.m. at the Versailles Elementary Gym.

Be a part of the excitement and fun this year at the Versailles Poultry Days and try out for "Annie".

More History Of St. John Parish

ST JOHN — 1836

In addition to the people previously mentioned the following settlers arrived during the first log church construction and helped with the completion: John Woblers, Bernard Boeke, J. H. Pohlmann, Anton Schweinfuss, Clemens Vehorn, H. Dwenger, Bernard Goecke, Fred Heckman, J. Hoeffen, F. John Desch, Fred Elking, Joseph Sieveke, Wenceslaus Meinerding, John Bruns, Nicholas Fullenkamp, J. Gaman, J. D. Heckman, Henry Woerman, J. Klune.

The new log church was completed in early spring of 1837. On April 9, 1837, Father Bartels blessed the church as St. John the Baptist (Saan Jaan de Dopfer). Father Bartels was the resident pastor at Minster and appointed by Bishop Purcell of Cincinnati to also take charge of the growing parish of St. John. An agreement was signed on December 26, 1836 by the deputies of St. John, namely, Johann Leistschneider and Johann Anton Moeller and wardens of St. Augustine in Stallstown (Minster) namely, Bernard Henrich Busse and B. Heinrich Adelmeyer. The agreement, in essence, said that in consideration of \$25.00 per quarter, payable at the end of the third month the Reverend Pastor at St. Augustine Church in Stallstown would say Mass at St. John at least once a month on a Sunday determined by the Reverend Pastor. This agreement continued until the arrival of the Precious Blood priests in 1945.

On the same Sunday, April 9, 1837, Father Bartels blessed the cemetery, which was located directly north of the church. When somebody died it was necessary to bring in a witness to certify that the person was actually dead. At death, the neighbors took charge completely. They prepared and dressed the body, notified relatives, if any, notified neighbors, arranged for pallbearers, and dug the grave. Burial usually took place the morning after the day of death. The night before burial

the neighbors took part in an all night wake with prayers, rosaries, a jug of whiskey, and eating. On the morning of the funeral the coffin or body wrapped in a sack was carried on the shoulders or on wheelbarrow or mud sled to the church. After the services the pallbearers carried the coffin on their shoulders and the people followed at a slow pace to the cemetery. After the services the pallbearers carried the coffin on on their shoulders and the people followed at a slow pace to the cemetery. After the services, those attending got together and ate their noon lunch, which they all brought themselves. The neighbors arranged for someone to stay with the deceased's family a few days to help with the work and to comfort the survivors.

In April of 1837 the first wardens of Saan Jaan Paish were installed, namely: John Leistschneider, John Meyer, Friedrich Hinders and Anthony Moeller. Also in 1837 on May 21, the following children made their First Communion: Theodore Huelskamp, Friederich Schroeder, Theodore Schmid, Henry Thammann, Anna Leistschneider, Catherine Herzig, and Catherine Hagedorn.

The wood from bass and elm trees make good wooden shoes, and with both trees plentiful it only followed that a Fred Schroeder near the town started making wooden shoes for resale. Prior to this wooden shoes had to be brought in from Stallstown. In 1838 a Matthias Gast started the first boot and leather shoe store in town. In the same year he enlarged his store to include a country general store containing dry goods and all kinds of groceries. In 1836 Mr. H. Tange-man started the first blacksmith shop in town for the making and repair of hoes, pitchforks, spades, chains etc. In 1849 John Goecke became the village carpenter.

The parish of St. John from its very beginning honored the newly consecrated Bishop John Purcell of Cincinnati by selecting St. John the Baptist as the patron

saint of the parish. During the latter part of 1840, Bishop Purcell informed th St. John people of his intention to visit the parish in December. It is well that Bishop Purcell was a young and strong man because visiting the rural parishes was difficult and done by farm wagon, horseback, and even by foot. Shortly before his arrival a new altar had been erected in the sanctuary of the church, and Bishop Purcell celebrated the first sacrifice of the Mass on it. At the same time he confirmed 41 young boys and

girls of the parish.

Elizabeth Boeke kept accurate Sunday attendance records at Saan Jaan parish after she and her husband arrived in 1835. On the Sundays when there was no mass the parishioners would gather for readings with an average Sunday attendance of 63 people. In 1840 there were 19 Sunday masses and 32 Sunday readings with an average attendance of 102. In 1844 there were 26 Sunday masses and 26 Sunday readings with an average attendance of 163 people.

National Library Week—April 6-13

The Stallo Memorial Library in Minster will celebrate National Library Week April 6-13, with the theme, "Libraries Are Awesome!" Fines for overdue books, magazines and records that are returned this week will be cancelled.

Stop in and check out the library's services. In addition to the collection of over 15,000 books, including LARGE PRINT mysteries, westerns and romances, we have magazines, records, Super 8mm films, and VHS tapes to borrow - all FREE!

Yes, we do have tax forms of all kinds and flavors except the most exotic, which can be ordered by special LIBRARY IRS HOTLINE, and received in days.

The Minster Historical Society's collection of over 11,700 funeral cards has recently been transferred from book form to a card catalog system for easier research by genealogists. Genealogists might also find useful the microfilms of U.S. census records and of the early Minster newspapers.

The Ohio FFA Association's 58th State Convention will have special meaning for members of the Anna FFA Chapter of Anna high school. Mr. Thomas Kremer, local vocational agriculture teacher has been notified that Deron Coy has been selected as a state finalist in the state FFA Accounting-award program. The announcement was made by Dr. James Cummins, Assistant Director of Vocational Education, Agriculture, and State Advisor of the Ohio FFA Association. Although the rank order among the finalists has been determined, these results will not be announced until the 58th State FFA Convention, April 25-26, at the Ohio Exposition Center in Columbus.

As district winner, Deron Coy represented district 10 in the state competition, and is now one of the top three in the state.

"This has again been a highly competitive awards session," said Bill Bien, state FFA president, adding that "over 90 persons were involved in the final selection process, including many from agribusinesses and farming."

The top three state-level award winners were selected by state FFA officers, vocational agriculture teachers, state staff members, and consultants from various agribusinesses and farms.

More than 2,000 entries have been considered in local, district and state competition in arriving at the state finalists. The awards are made possible through the efforts of the Ohio FFA Foundation, Inc., with Mr. Ed Johnson of the ABN Radio and Television Network, Columbus, serving as chairman of the sponsoring committee.

Activities that led to Deron's success are: Participating in Parliamentary Procedure, participating in District Public Speaking Contest, and is currently the new President of his chapter for 1986-87.

Schumann Announces Candidacy

Karyn Schumann

Karyn Schumann recently announced her candidacy for the office of Auglaize County Auditor on the Democratic ticket. She has been employed in the Auditor's office for the last ten years, her present duties being chief deputy in charge of bookkeeping and tax settlements. Mrs. Schumann stated "that when Vern (Doenges) decided not to seek re-election he encouraged me to run and I decided to enter the race. I've been involved in all aspects of the office at one time or another and truly enjoy the work. The primary reason I'm seeking the office is because of the satisfaction the work gives me and also because I feel it is very im-

portant that someone familiar with the duties and complexities of the Auditor's office be elected."

Mrs. Schumann is a member of the Wapakoneta Business and Professional Women's Club, the Appleseed Ridge Girl Scout Council and attends St. Joseph Church. She resides in Pusheta Township with her husband, David and their daughter, Sarah.

Minster Students To Present M*A*S*H

One of television's most popular comedies is coming to Minster on April 11 and 12. The high school drama club will present the play version of M*A*S*H, featuring many of your favorite characters: zany Hawkeye Pierce and Trapper John McIntyre, feisty Hot-lips Houlihan, and uniquely dressed Klinger, and the wonderfully dislikeable Frank Burns.

"It's an exciting, challenging production for our drama students," said Director Barbara Moore. The largest cast of characters demands extra cooperation, time, and involvement. It means more costumes than usual — the club is still asking to borrow additional military fatigues, especially combat boots and green pants.

This show also requires special staging. For example, acting areas (nurses' tents, mess tent, and Swamp) are defined by props and

imagination, not by walls. Beaver-creekHigh School is contributing many of the props. The script calls for curtains during scene changes, but the high school does not have functional curtains. Instead, the show is specially blocked and lighted to maintain a smooth flow of action. Mr. Bob Knostman of the Crescent Theatre and Mr. Jack Buschur of Buschur Electric are helping set up lights for the unusually wide set. Also, M*A*S*H is the first MHS show in many seasons to include a musical number. Mr. William Thomas, the high school band director, will direct the opening theme song.

Pre-sale tickets for M*A*S*H are currently available from Minster drama students for \$2.00. They will cost \$3.00 at the door. The show will be presented April 11 and 12 at 8:00 p.m. on the high school stage.

Members of the 4077th, including Nikki Ahrns and Karla Prenger, take a break to enjoy the incredibly bad dancing of visiting showgirls, played by Trisha Leugers (far left) and Tammy Egbert (far right).

Local Student Receives Scholarship

Agricultural Technical Institute (ATI) student, John Raymond Heitbrink, son of James and Mary Jean Heitbrink of Minster, has been awarded an ATI Milk Marketing Scholarship for the 1986-87 academic year.

The ATI Milk Marketing Scholarship is presented by Milk Marketing Incorporated and is

awarded to second year dairy students at ATI. The scholarship is awarded on the basis of academic performance.

Heitbrink is a 1982 graduate of Minster High School. He will complete his degree in dairy production and management this summer at ATI.

Learning Disabilities Subject Of In-Service

by Thomas Teckman

Learning Disabilities was the subject of a recent in-service program for teachers in the Fort Loramie Local Schools.

The program, organized by the learning disabilities teachers, was conducted by Joe Jackson, from the Special Education Resource Center in Wapakoneta.

To appreciate the problems of the learning disabled student, teachers were put into simulated experiences of various learning disabilities. First, teachers listened to a tape recording from which high pitch sounds were removed.

Then teachers experienced speaking, reading, and hearing disabilities.

Versailles FFA Members Attend Officer Training

Several members of the Versailles FFA attended the 1986 District 10 Officers Training held March 7 and 8 at the Holiday Inn in Englewood. The training was for all newly elected officers of the chapter.

Those members who attended were Kim Crotcher, Stacie Hoe-scher, Steve Buschur, Lewis Margen, Wanda May, David Mangen, Mike Stephan, Steve Hoelscher, and Brian Barlage. The members were welcomed by District 10 Chairman, Sam Custer, and Preble County Chairman, Joe Sloan. Greg Gehret, West Sectional Vice President, and Bernadette Bruening, past West Sectional Vice President, also gave their remarks. A partly pro demonstration was given by the Anna FFA. Individual officer sessions were then held. Each officer attended a different session. The sessions were to teach the newly elected officers what will be expected from them and what responsibilities they will have in the upcoming year. The state officers and state officer candidates were then presented. The day ended with chapter goal setting.

On March 8 the day started with a hardy buffet breakfast being served to all members and advisors in attendance. Following the breakfast, the district public speaking winners presented their speeches. Those who presented speeches were Jackie Kemp of National Trail who presented the Creed, Ken Meir of Mississinawa Valley presented his Beginning Prepared speech, Steven Buschur of Versailles presented his Prepared speech.

Next there were sessions on chapter aid, and each officer attended two sessions. The sessions that could be attended were Building Our American Communities, State Degrees and Proficiency Applications, National Chapter, and Safety. After a short break, each officer then attended four more sessions. These sessions were Alumni, FFA Camp, Ohio State Information, and Washington Leadership Conference Program. The day ended with remarks from the London Ag. teacher, Rick Rudd.

Gilmore Pre-Arrested In Cancer Society's Jail-N-Bail

Merger County Sheriff Joe Gilmore was put behind bars to illustrate the purpose of the Jail-N-Bail program.

This is the chance of a lifetime! For \$25 you can have your favorite person thrown in jail for the fight against cancer in the American Cancer Society's Jail-N-Bail. The American Cancer Society, Mercer County Unit, will be holding its first annual Jail-N-Bail on Wednesday, May 14 and Thursday, May 15. This is a sneaky way of "arresting" your boss, spouse, neighbor, or friend! It's all in fun . . . and all to benefit the American Cancer Society.

Jail-N-Bail originated in the North Carolina Division in 1978. Ohio's first event was in 1984. Last year Jail-N-Bail involved over 70 County Units, raising over \$1,000,000, making this the first million dollar special event in the history of the Ohio Division.

Here's how it works: anyone can have a specific individual arrests on bogus charges (within a 12 mile radius of Celina) ranging from exceeding the speed limit while jogging, skipping out early, inciting a riot with wild attire, terminal bad jokes, not paying green fees, impersonating a car dealer or school superintendent, indecent exposure from the neck up, or any charge, and paying a \$25 fee to the Cancer Society. A simple call to the Mercer County Cancer Unit will yield a special "Charity Summons" for anyone you want to have arrested. Volunteer Sheriff Deputies will visit them, explain the situation . . . and good naturedly

"whisk them away" to a make-believe lockup in the slammer at the Mercer County Jail site. Bail will be set by a volunteer judge. At that point the "jailbird" will make pledge calls to friends, relatives, co-workers, etc. to earn their bail. All bail is tax deductible as contributions to the American Cancer Society. Most will be incarcerated for about an hour.

By taking part, you can aid a worthy cause - and enjoy the fun! It's not too early if you want to make arrangements now . . . just call the Cancer Unit Office at 586-2531 and arrange for an arrest on May 14 or 15.

We will also need extra volunteers during this two-day event. If you have time and would like to join in on the fun, please let us know! ALL SUPPORT IS DEEPLY APPRECIATED!

Municipal Income Tax Deadline

Taxpayers in the City of St. Marys, and the Villages of Anna, Botkins, Ft. Loramie, Minster, New Bremen and Russia are reminded that April 30 is the final date for filing and paying their 1985 Municipal Income Tax, and their 1986 Declaration of Estimated Tax. Returns received after April 30 are subject to a penalty and interest charge.

Any person who lives within one of the corporations, and

works for an employer who does not withhold the tax from his wages, is obligated to file an income tax return with the Department of Taxation. In the case where a taxpayer is paying a municipal tax to another City, credit will be given against his tax liability. The taxpayer must, however, file a return in order that proper credit can be given.

If forms were not received in the mail, they may be obtained at the Village office, or the Income Tax Office in St. Marys. The failure to receive forms is not an excuse for not filing a municipal income tax return as required.

The Department of Taxation is located in St. Marys City Municipal Building at 101 E. Spring Street, St. Marys. Office hours are from 8:00 a.m. until 5:00 p.m. Monday through Friday. The Department of Taxation will also be open additional hours, from 8:00 a.m. until 12:00 o'clock noon April 5, April 12, April 19 and April 16, 1986. The personnel in the Department of Taxation will assist in the preparation of forms as it is required by the individual taxpayer.

Dairy Boosters Make Presentation

L-R, Marge Dirksen and Margie Meier of the Mercer County Dairy Boosters.

Marge Dirksen and Margie Meier, representatives from the Mercer County Dairy Boosters recently made a presentation

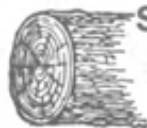

which emphasized the nutritional value of milk and milk products to third grade students at Marion Local Elementary School. Dirksen

emphasized that milk and milk products contain calcium, phosphorus, Vitamin D, Riboflavin, protein, thiamin, and Vitamin A, all of which contribute to good health. Consuming milk and products such as cheese, yogurt, cottage cheese, sour cream, butter, and ice cream can help prevent osteoporosis which is a bone disease.

Students viewed a film which portrayed the care taken to maintain cleanliness on a dairy farm. Cow erasers, pencils with the message "Milk's Got More," and "I Love Milk" stickers were presented to the third grade students at the conclusion of the presentation. Elaine Bohman, Betty Bills and Lisa Everman, third grade teachers noted that the presentation was a valuable teaching aid to reinforce concepts being taught relative to nutrition in the health curriculum.
